The Seductions Of Quantification Measuring

With The Seductions of Quantification, leading legal anthropologist Sally Engle Merry investigates the techniques by which information is gathered and analyzed in the production of global indicators on human rights, gender violence, and sex trafficking. Although such numbers convey an aura of objective truth and scientific validity, Merry argues persuasively that

Details about The Seductions of
Quantification: We live in a world where
seemingly everything can be measured.
We rely on indicators to translate social
phenomena into simple, quantified
terms, which in turn can be used to
guide individuals, organizations, and
governments in establishing policy.
