WebCT (Course Tools) or Blackboard Learning System, now owned by Blackboard, is an online proprietary virtual learning environment system that is licensed to colleges and other institutions and used in many campuses for e-learning. To their WebCT courses, instructors can add such tools as discussion boards, mail systems, and live chat, along with content including documents and web pages.

WebCT - Wikipedia

The WebCT corporation announced that they would discontinue development and support of "WebCT Campus Edition 4.1"; this is the version in use at Rutgers. Their new product, "WebCT Vista," is not a simple replacement for WebCT 4.1, so moving to Vista would have been as much of a change as a move to any other competing product.
